Enclosed transfer switches

Automatic operation

Enclosures from 25 to 630 A

GENSET application I-0-II

ADVANTAGES

Strong points

- Safety of operations
- High-speed transfer
- Compact design
- Dedicated mains/genset integration
- Easy to connect
- Switches produced by SOCOMEC (France)

Standards

- IEC 60947-3
- IEC60947-6,-1

Applications

- Industry
- Data centres
- Power distribution
- Healthcare
- High-rise buildings

Code	Current, A	Power, kW	Width, mm	Depth, mm	Height, mm	Connection
935A4004	40	20	400	170	500	16 mm^2
935A4006	63	32	400	170	500	35 mm^2
935A4008	80	40	400	170	500	35 mm^2
