Enclosed transfer switches

Manual operation

Enclosures from 25 to 400 A

GENSET application I-0-II

ADVANTAGES

Strong points

- Safety of operations
- Robust product
- Compact design
- On-load operation
- Easy to connect
- Switches produced by SOCOMEC (France)

Standards

- IEC 60947-3
- IEC60947-6,-1

Applications

- Industry
- Residential
- Power distribution

Code	Current, A	Power, kW	Width, mm	Depth, mm	Height, mm	Connection
